

Proposal for a new Welsh medium School

Consultation Document
Children's Version

Who are we?

Wrexham County Borough Council is responsible for all schools within our area. We are part of a team that works for the council to support these schools.

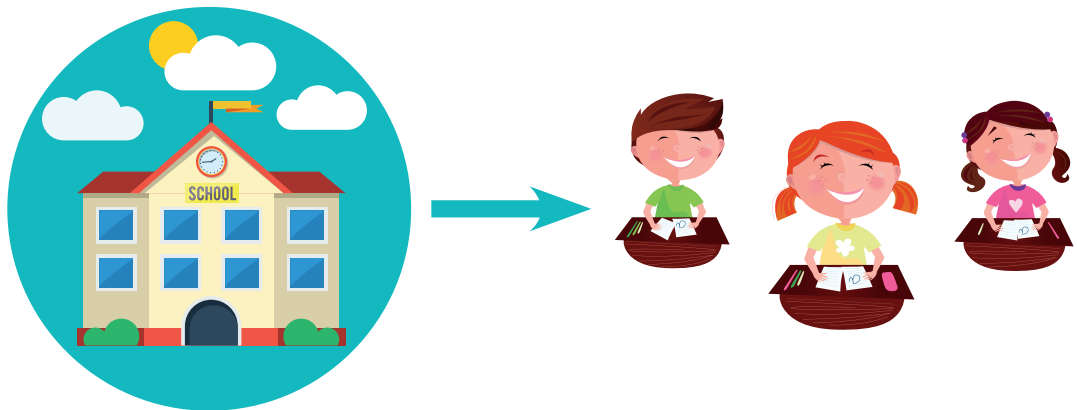

Our aims:

- To give all children the best chance to learn in excellent English speaking, Welsh speaking or Faith schools.
- To have safe and strong buildings.
- To make sure money for children is spent in a fair way.
- To give everybody the opportunity to have their voice heard and listened to in decisions that affect them.

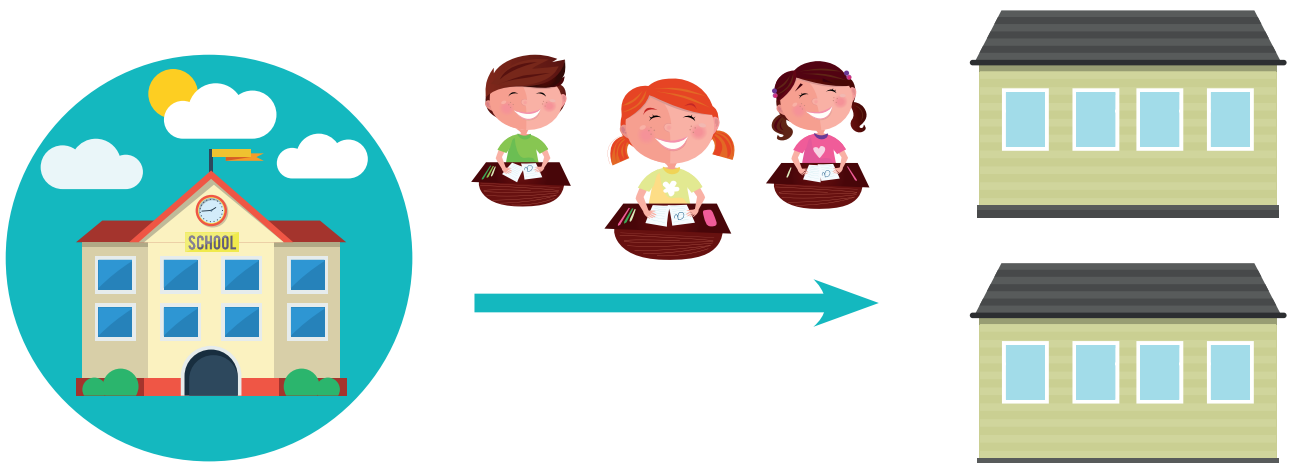

What is happening at the moment?

We would like to open a new Welsh medium School. This is because each year more children want to go to Welsh school and learn through the medium of Welsh.

What is the plan?

We will create a Nursery and Reception class in a temporary building. When we can we will move to a permanent building and this will be our new Welsh medium school.

What will change?

Your parents will have more choice of which school they would like to choose for your younger brothers and sisters. As you are already at school you will stay at the school you are in.

Why are we asking you?

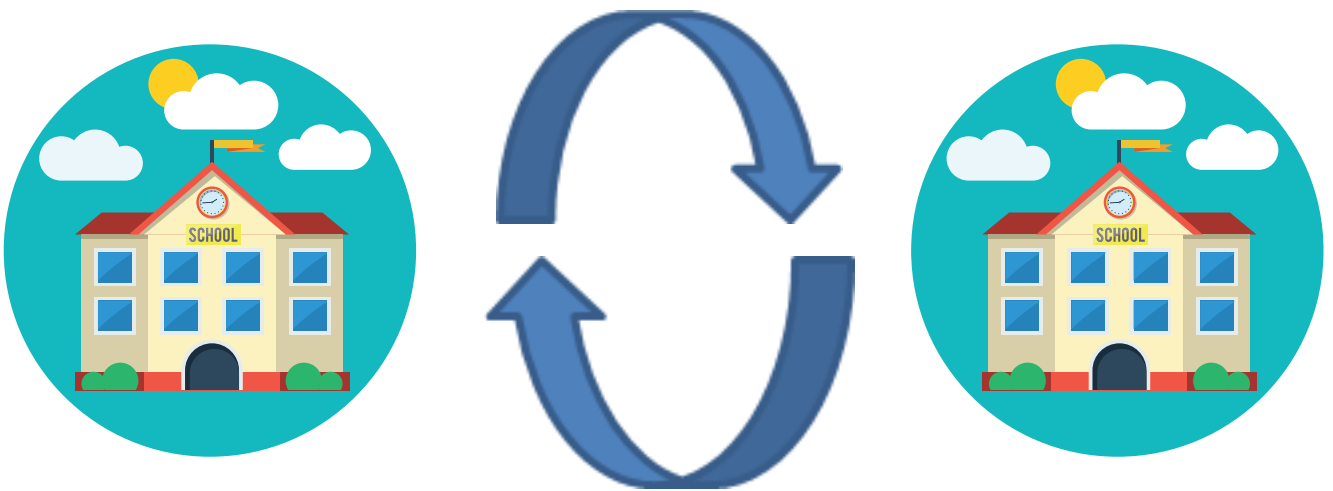

We want to ask you what you think about our plan.

We will come to see your school council and listen to what you have to say.

Why do we think things need to change?

Our Welsh Schools are nearly full. We need a new School so that children can continue to go to Welsh schools if they want to.

What do you think?

Remember to tell us...

Is there anything else you would like to see happen instead of what we are planning?

Would you like to say anything else?

Please send your comments to us by **7th November 2017**. We won't be able to accept anything you send us after this date.

What Happens Next?

- We will collect all the responses and tell everyone what the main comments are.
- The council will have a meeting to decide what to do.
- We will then let everyone know what the decision is.
