All applications received will be considered collectively and assessed against the Authority's criteria. Applications received before the cut off date **will not** be given priority when allocating places.

**Late applications** will be considered using the same published criteria, however, should a school be over-subscribed then any late applications will be considered **after** those received by the cut off date. This means that parents may have less opportunity to be allocated a place for their child at their preferred school if they send in their form after the closing date.
