

On-Line Applications for Nursery School Places

From **2 January 2018** you can apply on-line for a nursery school place for your child, using the...

All you need is your email address in order to make an on-line application from your home computer.

By producing a Library card you can also use the facilities at Contact Wrexham and Wrexham Library to make your on-line application.

Tips for completing your on-line application

- When entering names please use initial capital letters, for example:
Mr Joe Bloggs, Rose Jarvis, Ben Jones
- When entering post codes please use capital letters, for example:
LL12 6LD (leaving a space after the first 4 digits).
- When entering the applicant address (parent's address) please select the **full address** rather than just the post code.
- Once you have registered, you will need to **make a note of your chosen password** as you will receive an email with a link to follow to access and complete your application.

- Draft out your reasons for choosing particular schools, prior to going on-line, as this saves time when making your application and reduces the risk of being 'Timed Out' by the system.
- Wherever possible please use the drop down menus to select current early entitlement settings and chosen schools.
- If your child would have a sibling already attending the school of your choice, who will still be there in September 2018, remember to add this information when prompted.
- Remember to select how you would like to receive notification of your application, for example whether this would be by email or letter.
- You can choose a number of schools, but ensure that they are in ranked order with your 1st choice first, your 2nd choice second and so on, you can use 'up and down arrows' to move your choices around.

If you re-enter your application, for any reason, the system automatically sets your application to 'un-submitted'. You must therefore go to the end page of your application, tick the terms and conditions page and then click the 'SUBMIT' button again even if you haven't made any changes.
