

Notice in relation to Wrexham County Borough Council
(Public Footpath Number 39 (Part) in the Community of Marchwiel)
Temporary (Prohibition of Pedestrians) Order 2011 – Section 15 (5)
Road Traffic Regulation Act 1984

Notice is hereby given that the Order made by Wrexham County Borough Council on 9 February 2011, the effect of which is to prohibit any person from proceeding in that part of Public Footpath Number 39 in the Community of Marchwiel in the County Borough of Wrexham from the bottom of Station Road at grid reference SJ3590 4793 in a generally westerly direction for a distance of approximately 1,000 metres to Five Fords Farm at grid reference SJ3674 4828, has been continued in force on the direction of the Minister for the Economy and Transport, one of the Welsh Ministers until and including 8 February 2012.

The Order made by Wrexham County Borough Council on 9 February 2011 which would otherwise have expired on 9 August 2011 had the direction made by the Minister for the Economy and Transport, one of the Welsh Ministers not been given.

The reason for the continued closure of part of Public Footpath Number 39 is because works are being or are proposed to be executed on or near the footpath and because of the likelihood of danger to the public as a result of works being carried out on behalf of Welsh Water to construct a new sludge treatment plant.

There is no alternative route available throughout the duration of the temporary closure.

Dated this 8 day of August 2011

John Bradbury
Head of Environment
Guildhall
Wrexham
