Could you be a
test purchase
volunteer?

Would you like to work with Trading Standards Officers and the Police?

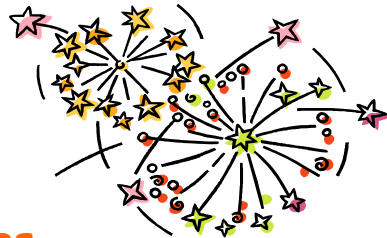

Are you between the age of 13½ to 14½?

Volunteers are needed to test purchase cigarettes

Are you between the age 14½ to 16½?

Volunteers are needed to test purchase alcohol and fireworks

Trading Standards ensures that businesses trade fairly and safely in Wrexham. We advise shops on age restricted sales of cigarettes, alcohol and fireworks to ensure they know how to comply with the law. We often work with Police Officers.

As a volunteer we ask you to go into a shop and try to buy an item. An Officer is with you at all times to make sure you are safe.

We work mostly from late afternoon until early evening. You can volunteer on your own or with a friend.

We do not ask you to visit any premises or areas where you are likely to be known.

You will be given a certificate for participating but unfortunately we cannot pay you. Volunteering provides an interesting insight into what we do.
