Transition to Secondary School

The youth work team based in Rhosnesni facilitated activities during the summer holidays enabling young people to establish relationships, take part in new activities and talk about any worries/concerns they may have about moving to their new school.

A small group of pupils were invited to take part in these activities which included: Scavenger & creature hunt at Alyn Waters, All about me, Art project @ Dodds lane, Gwersyllt, Trip Bowling and Gardening at Dodds Lane. Pupils participating were given a booklet to record and evaluate all the activities and as evidence used to gain credits from the Children's'/Youth University.

I think this week has been awesome. What we haven't noticed is that all the work we have done we can get a certificate. The staff were really nice and funny well done Debbie & Shelly.... I think having credits for the activities is really good too.
