

Special Pupil Edition.

# The Voice.

## You have got one.

**Adults are always telling us to put up and shut up.**

Now we have got a **voice** and we have got to use that voice to make ourselves heard.

Pupils in Wales have the right to make a Special

Educational Needs Appeal and a Disability Discrimination Claim.

It is important that we, the pupils, make use of that right. We can seek the help of our parents or carers but, at the same time, the appeal can be solely ours.

**USE**

**YOUR**

## Now use it.

**The Voice has always been believed in Pupils Rights and that students of all ages should be heard.**

Why should pupils be singled out as the only group that are not listened to?

No we have the chance and we should make the most of that chance.

Rhifyn Arbennig i Ddisgyblion.

# Y Llais.

## Mae gen ti un.

**Mae oedolion bob amser yn dweud wrthym am fodloni a chau ceg.**

Nawr mae gennym lais ac mae'n rhaid i ni ddefnyddio'r llais hwnnw i roi barn.

Mae gan ddisgyblion yng Nghymru hawl i Apelio dros

Anghenion Addysg Arbennig a Hawlio ar sail Gwahaniaethu ar sail Anabledd.

Mae'n bwysig ein bod ni'r disgyblion yn defnyddio'r hawl hwnnw. Gallwn geisio cymorth gan ein rhieni neu'n gofalwyr, ond ar yr un pryd, gallwn apelio ar ben ein hunain.

**DEFNYDDIA**

**DY**

## Nawr defnyddia fo.

**Mae'r Llais bob amser wedi credu yn Hawliau'r Disgyblion ac y dylid gwranddo ar fyfyrwyr o bob oedran.**

Pam dylai disgyblion fod yr unig grŵp heb lais?

Nawr mae gennym siawns a dylem wneud yn fawr o'r siawns hwnnw.

**LAIS**

## Pwy sy'n gallu helpu?

**Dy Bennaeth neu CAAA.**
