

# **Service Development Team – Advocacy**

**1 April 2019**

The Social Services and Wellbeing Wales Act 2014, National Approach to Statutory Advocacy and National Principles for Public Engagement in Wales place a duty on us to ensure that children are able to participate in decisions regarding their care and have access to advocacy services, specifically 'looked After children', 'children in need of care and support' and 'care leavers'.

## **Information Collected:**

- Name of children offered Advocacy
- Date of Birth
- Details of their use of the advocacy service
- Feedback on the Advocacy Service

## **Agencies we might share the information with:**

- Advocacy Provider

## **Purpose for processing:**

- Service Planning and Delivery
- Service Improvement
- Research
- Staff training
- Provision of advocacy service
